

Doing, writing and publishing process research

Academy of Management
Process Research Methods Workshop 2010

“Tangled processes cannot be undone and their complexity defies analysis (...) Nevertheless, we can follow separate strands for some of their lengths which yields insight into how they evolve and connect.”

Tor Hernes, *Understanding Organizations as Process: Theory for a Tangled World*, Routledge, 2008

DOING, WRITING AND PUBLISHING PROCESS RESEARCH PART 1		
Process epistemology Organization as process	Writing process research
